2017 City Holiday Event – November 25, 2017

Date: February 13, 2017
Item: City Council 2017 Meeting Schedule
From: The Event Committee
To: City Council

The Event Committee – Chairman City Clerk Morgan-Adams
 City Administrator Wade
 Assistant to the City Administrator Falcone
 Police Chief Steffen
 Director of Building and Development Peterson
 Police Community Liaison Conboy
 Deputy Clerk Schultheis
 Event Consultant – Park District Exec. Director Ferraro

Mission – To create a City event to enhance the sense of community, and become a Holiday tradition – Holiday Outdoor Market.

This memo is to introduce the concept of the Holiday Market. There will be further discussion by the Events Committee to bring more details and budget requirements to the Budget Meeting on February 25. At that time, Chairman Morgan-Adams will present the scope and estimated cost of the event.

Here is a sampling of ideas (though all are open to modification):

- **This event would be held at the Park District either indoors or in a tent, and would follow the Tree Lighting ceremony by the Garden Club.**
- **This would not be a Park District event, nor would it replace any other City co-sponsored Park event. The Holiday Market would be a City event at the Park.**

- As the Tree Lighting Ceremony is already a tradition that attracts numerous families, the Holiday Market hopes to build upon that success and have those families as well as others participate in the continuation of the evening's festivities at the Gary Morava Recreation Center.
- Part of the event could include transporting event-goers from City Hall to the Gary Morava Center by either tractor or horse-drawn wagons or buses
- The event will include heated tents and/or will be indoors
- Food and beverages including alcoholic beverages such as spiced wines (Food and beverages will only be served by a few vendors)
- Holiday ornaments will be sold, crafts will be made (including wreaths and stockings). Contests and raffles are options
- Another option is a movie in the gymnasium
- Local musicians and school choirs are a possibility, but the intent is to have music of some kind

To consider –

This is not something that was agreed upon as the *only* option, but was unanimously agreed upon by the Event Committee as the event that would be unique to Prospect Heights, enjoyable by families, not interfere with other planned events during the year, and could be sustainable as a tradition.

The Holiday Market also afforded us the most options to secure volunteers and create an entertaining and festive diversion for the residents.

We have secured the assistance of Park District Executive Director Ferraro, who has been instrumental in providing materials, suggestions and offering the Park District's cooperation.

The Tree Lighting Ceremony would still be a Garden Club event.

AN ORDINANCE AMENDING THE ANNUAL BUDGET 2016-2017

Subject: Renewal Agreement with Illinois Convenience and Safety Corporation for Installation and Maintenance of Bus Shelters within the City

Background

The City and Illinois Convenience and Safety Corporation have established an agreement for IC&SC to install and maintain bus shelters at various locations. The City is paid for this authorization twenty per cent of the gross billings generated by the rental space of the shelters within the City. In 2014-15, the payment to the City of Prospect Heights was \$2,164.

Agreement terms between the City and IC&SC have been for five years, with 2017 being an agreement renewal year.

Analysis

IC&SC offers this service and agreement in a number of area communities. The bus shelters offer weather protection to PACE passengers at various points within the City. IC&SC maintains the shelters and cleans them on a monthly basis. There are no City expenses related to these shelters.

Revenue to the City is based upon the gross billings of advertising at the shelters.

Recommendation

Staff recommends the proposed 5-year renewal of this agreement with Illinois Convenience and Safety Corporation.

Illinois Convenience & Safety Corp.

Mr. Joe Wade
City Administrator
City of Prospect Heights
8 N. Elmhurst Rd.
Prospect Heights, IL 60070

Dear Mr. Wade,

Per our conversation, enclosed is the 'Renewal Agreement' for IC&SC's shelter program in the City of Prospect Heights. Please approve three (3) copies and return two (2) copies to IC&SC at your earliest convenience.

Illinois Convenience & Safety Corp., a local, *privately* funded organization, has been providing the bus shelter program in Prospect Heights for 20 years. Our program, provided at no cost to your community, pays for the shelters, concrete pads/sidewalks, installation, electrical hook-ups/usage, liability insurance and maintenance.

Kindly consider a few of the benefits that distinguish our proven program:

- IC&SC is privately funded and uses absolutely no *taxpayer* dollars.
- IC&SC's in house maintenance crews thoroughly clean and service your shelters weekly.
- IC&SC boasts a Mayor-endorsed track record of 32+ years.
- IC&SC pays your municipality a percentage of the revenues generated by the shelters each year.
- IC&SC's existing plant of 375 shelters and strong national sales base ensure revenues will be maximized.
- Revenue Bus Shelters are IC&SC exclusive business.

The entire IC&SC staff appreciates the opportunity to serve your local residents and looks forward to a long and prosperous business relationship.

Sincerely,

RENEWAL AGREEMENT

This AGREEMENT is made the _____ day of _____, 2017, by and between ILLINOIS CONVENIENCE & SAFETY CORPORATION (hereinafter referred to as "IC&SC") and the CITY OF PROSPECT HEIGHTS (hereinafter referred to as CITY).

It is MUTUALLY AGREED that the CITY permits IC&SC to install and maintain transit advertising shelters within the CITY and upon the CITY right-of-way, upon the terms and conditions as follows:

1. **DURATION:** This Agreement shall remain in force for a term of five (5) years from the 6th day of January, 2017, unless previously determined as hereinafter provided.
2. **TYPE OF SHELTER:** Any shelters to be constructed will be of a type approved by the CITY.
3. **IC&SC OBLIGATIONS:** IC&SC will pay all fees, costs, and permit charges regularly assessed by the CITY, unless otherwise waived, and agrees that the shelters will be in conformity with applicable building codes of the CITY. IC&SC is also responsible for obtaining state highway permits for all shelter locations on state routes.

IC&SC will inspect, maintain, repair, clean and service the shelters. The maintenance to be provided will be on a regular basis at least *once per week*. IC&SC shall repair or remove, if necessary, any shelter so in need, or if the shelter's condition presents a threat to public safety, within twenty-four (24) hours of notification from the CITY or IC&SC's inspection.

4. **INDEMNIFICATION AND INSURANCE:** A. IC&SC will indemnify and save harmless the CITY, their agents, servants, and employees, against all costs, expenses, damages, liabilities, and judgments for personal injuries, including death, resulting by reason of the erection, maintenance or operation of any of the shelters referred to in this agreement, and for property damage, sustained by any person, firm, or corporation whomsoever, caused or alleged to have been caused, directly or indirectly, by an act or omission, negligent or otherwise, of IC&SC, its agents, servants, and employees, or occasioned by any work performed by IC&SC and shall defend any such action or suit brought against the CITY, and shall pay all costs and expenses of whatsoever nature resulting therefrom, and in connection herewith and to pay, on behalf of the CITY, the amount of any judgment that may be entered against them in any such action or suit.

B. IC&SC will carry indemnity insurance against the above mentioned liability in a sum of not less than \$2,000,000.00. The CITY, its officers, officials, and employees are named as Additional Insureds to the General Liability coverage of this policy for the erection, maintenance, and operation of the bus shelters located in the CITY. Proof of said insurance will be provided upon request by the CITY.

5. **MAINTENANCE:** IC&SC shall be permitted to enter upon, and into the shelters, at any reasonable time with workmen and all necessary equipment to repair the shelters and install all necessary electrical wires, meters, clock-work machinery, and other hardware reasonably necessary for making the said shelter effective, all of which work shall be done according to CITY code and at the sole expense of IC&SC.
6. **PAYMENT FOR ELECTRICAL:** IC&SC shall pay all sums that may become due for electrical energy supplied to the shelters and shall keep the CITY indemnified against being called on to pay these sums.
7. **NON-OBSTRUCTION:** The CITY shall not obstruct shelter advertising panels and agrees to prohibit any obstructions of the same and to cause such obstructions to be removed.
8. **TYPE OF ADVERTISING:** IC&SC agrees that it will utilize the shelters only for advertising material that is truthful in every respect.
9. **RIGHT TO ERECT SHELTERS:** The CITY agrees that it gives to IC&SC the right to erect advertising shelters in the CITY and the first option to fulfill any additional advertising shelter requests that may arise within the duration of this agreement.
10. **SITE LOCATION:** The location of shelters is subject to CITY approval as well as approval by the Illinois Department of Transportation (IDOT) for state route installations.
11. **THE RIGHT OF IC&SC TO REMOVE SHELTERS:** IC&SC retains the right to remove any shelters without notice to the CITY, in the event any restriction on the construction or maintenance of advertising shelters is imposed by statute or by ordinance of the CITY, County or State in which the shelter is located, or in the event the Federal, State, Municipal, or other proper authorities should hereafter establish any rules, regulations, or taxations which shall have the effect of so restricting location, construction maintenance, or operation of shelters so as to diminish the value of said shelters for advertising purposes. The CITY may require the removal of any shelter if any provision of this agreement is breached for a period of thirty (30) consecutive days.

12. **CONDITIONS:** IC&SC shall not be required to provide any shelter in the event advertising contracts sufficient in number to make the project economically feasible shall not be securable. If the shelter(s) are not properly maintained or repaired, IC&SC must remove such shelter(s) at their sole expense.
13. **DUTY TO REMOVE:** In the event the CITY fails to receive notice of renewal of either or both the Agreement and the Comprehensive General Liability Insurance on or before twenty (20) days before the expiration date of said coverages, or in the event either or both the Agreement and the Comprehensive General Liability Insurance are cancelled and no evidence of equal coverage is exhibited to the CITY on or before twenty (20) days prior to the expiration date of either coverage, IC&SC agrees to immediately remove all of its shelters, including foundations, and if it fails to do so the CITY shall have the right to remove them and IC&SC shall be obligated to pay the CITY its costs for such removal.
14. **COMPENSATION TO THE CITY:** A: IC&SC will pay the CITY twenty percent (20%) of the gross billings generated by the rental space of shelters within the CITY. 'Gross Billings' is defined as the invoiced price to advertisers, without consideration of, or reduction for, trade discounts, rebates, refunds or credits. The only allowance that will be made is for a legitimate advertising agency fifteen percent (15%) commission.
- B. IC&SC will render an annual payment to the CITY, said payment to be received by March 1 of each year for all paid advertising revenue generated the previous year by shelters within the CITY.
- C. IC&SC will allow reasonable inspection by authorized CITY officials, at IC&SC's office during normal business hours, to review annual revenues payable to the CITY.
- D. The CITY shall have the right to advertise community events or other public service notices if the advertising space in the CITY is unsold. The CITY shall be responsible for any production costs, and must contact IC&SC for availability, placement, and posting.
15. **NOTICES:** All notices herein provided for shall be sent prepaid registered or certified mail addressed to the CITY Mayor or IC&SC President, at their respective business addresses.

ENTIRE AGREEMENT

This AGREEMENT represents the entire agreement between IC&SC and the CITY OF PROSPECT HEIGHTS, and supersedes all prior negotiations and agreements. This AGREEMENT may be amended only by written instrument signed by both parties hereto. This AGREEMENT and any modifications, or additions, hereto shall be binding upon and inure to the benefit of the respective parties, heirs, successors, assigns, partners, and legal representatives. This AGREEMENT may not be assigned or transferred in any way except by the written consent of both parties hereto.

The CITY warrants and represents that it has the authority to enter into this AGREEMENT and that the necessary and proper resolutions have been approved and passed by the proper CITY Officials; further, it is warranted and represented that the signatories to this AGREEMENT have the authority to so act.

GHA shall be entitled to reimbursement of all costs actually incurred by GHA in collecting overdue accounts under this Agreement, including, without limitations, attorney's fees and costs. GHA shall have no liability for any claims or damages arising from either suspension or termination of this Agreement due to Client's breach. The Client's obligation to pay for GHA's services is in no way dependent upon the Client's ability to obtain financing, rezoning, payment from a third party, approval of governmental or regulatory agencies or the Client's completion of the project.

5. Instruments of Service. The Client acknowledges GHA's plans and specifications, including field data, notes, calculations, and all documents or electronic data, are instruments of service. GHA shall retain ownership rights over all original documents and instruments of service. All instruments of service provided by GHA shall be reviewed by Client within 10 calendar days of receipt. Any deficiencies, errors, or omissions the Client discovers during this period will be reported to GHA and will be corrected as part of GHA's Basic Services. Failure to provide such notice shall constitute a waiver. The Client shall not reuse or make, or permit to be made any modifications to the instruments of service without the prior written authorization of GHA. The Client waives all claims against GHA arising from any reuse or modification of the instruments of service not authorized by GHA. The Client agrees, to the fullest extent permitted by law, to defend and indemnify and hold GHA harmless from any liability, damage, or cost, including attorneys' fees, arising from the unauthorized reuse or modification of the instruments of service by any person or entity. The parties agree that if elements of the Scope of Basic Services identified in this Agreement are reduced and/or eliminated by Client, then Client waives, releases and holds GHA harmless from all claims and damages arising from those reduced and/or eliminated services. If GHA's Scope of Basic Services does not include construction administration phase services, Client assumes responsibility for interpretation of the instruments of service and construction observation, and waives all claims against GHA for any act, omission or event connected thereto. Unless included in GHA's Scope of Basic Services, GHA shall not be liable for coordination with the services of Client's other design professionals.

6. Electronic Files. The Client acknowledges that differences may exist between the electronic files delivered and the printed instruments of service. In the event of a conflict between the signed / sealed printed instruments of service prepared by GHA and the electronic files, the signed / sealed instruments of service shall control. GHA's electronic files shall be prepared in the current software GHA uses and will follow GHA's standard formatting unless the Scope of Basic Services requires otherwise. Client accepts that GHA makes no warranty that its software will be compatible with other systems or software.

7. Applicable Codes. The Client acknowledges that applicable laws, codes and regulations may be subject to various, and possibly contradictory, interpretations. Client accepts that GHA does not warrant or guarantee that the Client's project will comply with interpretations of applicable laws, codes, and regulations as they may be interpreted to the project. Client agrees that GHA shall not be responsible for added project costs, delay damages, or schedule changes arising from unreasonable or unexpected interpretations of the laws, codes, or regulations applied to the project, nor for changes required by the permitting authorities due to changes in the law that became effective after completion of GHA's instruments of service. Client shall compensate GHA for additional fees required to revise the instruments of service to comply with such interpretations. Client shall also compensate GHA for additional fees required to revise the instruments of service if Client changes the project scope after GHA's completes its instruments of service.

8. Utilities and Soils. When the instruments of service include information pertaining to the location of underground utility facilities or soils, such information represents only the opinion of the engineer as to the possible locations. This information may be obtained from visible surface evidence, utility company records or soil borings performed by others, and is not represented to be the exact location or nature of these utilities or soils in the field. Client agrees that GHA may reasonably rely on the accuracy and completeness of information furnished by third parties respecting utilities, underground conditions and soils without performing any independent verification. Contractor is solely responsible for utility locations, their markings in the field and their placement on the plans based on information they provided. Client agrees GHA is not liable for damages resulting from utility conflicts, mistaken utility locates, unfavorable soils, and concealed or unforeseen conditions, including but not limited to added construction costs and/or project delays. If the Client wishes to obtain the services of a contractor to provide test holes and exact utility locations, GHA may incorporate that information into the design and reasonably rely upon it. If not included in the Scope of Basic Services, such work will be compensated as additional services.

9. Opinion of Probable Construction Costs. GHA's Scope of Basic Services may include the preparation of an opinion of probable construction costs. Client acknowledges that GHA has no control over the costs of labor, materials, or equipment, or over the contractor's methods of determining prices, or over competitive bidding or market conditions. Opinions of probable costs, shall be made on the basis of experience and qualifications applied to the project scope contemplated by this Agreement as well as information provided by Client (the accuracy and completeness of which GHA may rely upon), and represent GHA's reasonable judgment. Client accepts that GHA does not guarantee or warrant that proposals, bids, or the actual construction costs will not vary from opinions of probable cost prepared for the Client. GHA shall not be liable for cost differentials between the bid and/or actual costs and GHA's opinion of probable construction costs. Client agrees it shall employ an independent cost estimator if, based on its sole determination, it wants more certainty respecting construction costs,

10. Contractor's Work. Client agrees that GHA does not have control or charge of and is not responsible for construction means, methods, techniques, sequences or procedures, or for site or worker safety measures and programs including enforcement of Federal, State and local safety requirements, in connection with construction work performed by the Client or the Client's construction contractors. GHA is not responsible for the supervision and coordination of Client's construction contractors, subcontractors, materialmen, fabricators, erectors, operators, suppliers, or any of their employees, agents and representatives of such workers, or responsible for any machinery, construction equipment, or tools used and employed by contractors and subcontractors. GHA has no authority or right to stop the work. GHA may not direct or instruct the construction work in any regard. In no event shall GHA be liable for the acts or omissions of Client's construction contractors, subcontractors, materialmen, fabricators, erectors, operators or suppliers, or any persons or entities performing any of the work, or for failure of any of them to carry out their work as called for by the Construction Documents. The Client agrees that the Contractor is solely responsible for jobsite and worker safety, and warrants that this intent shall be included in the Client's agreement with all prime contractors. The Client agrees that GHA and GHA's personnel and consultants (if any) shall be defended/indemnified by the Contractor for all claims asserted against GHA which arise out of the Contractor's or its subcontractors' negligence, errors or omissions in the performance of their work, and shall also be named as an additional insured on the Contractor's and subcontractors' general liability insurance policy. Client warrants that this intent shall be included in the Client's agreement with all prime contractors. If the responsible prime contractor's agreement fails to comply with the Client's intent, then the Client agrees to assume the duty to defend and indemnify GHA for claims arising out of the Contractor's or subcontractors' negligence, errors or omissions in the performance of their work.

11. Contractor Submittals. Shop drawing and submittal reviews by GHA shall apply only to the items in the submissions that concern GHA's scope of Basic Services and only for the purpose of assessing if, upon successful incorporation in the project, they are generally consistent with the GHA's Instruments of Service. Client agrees that the Contractor is solely responsible for the submissions and for compliance with the Instruments of Service. Owner agrees that GHA's review and action in relation to the submissions does not constitute the provision of means, methods, techniques, sequencing or procedures of construction or extend to jobsite or worker safety. GHA's consideration of a component does not constitute acceptance of an assembled item.

12. Hazardous Materials. Client agrees that GHA has no responsibility or liability for any hazardous or toxic materials, contaminants or pollutants.

13. Record Drawings. If required by the Scope of Basic Services, record drawings will be prepared which may include unverified information compiled and furnished by others, the accuracy and completeness of which GHA may reasonably rely upon. Client accepts that GHA shall not verify the information provided to it and agrees GHA will not be responsible for any errors or omissions in the record drawings due to incorrect or incomplete information furnished by others to GHA.

14. Disputes. Client agrees to limit GHA's total aggregate liability to the Client for GHA's alleged acts, errors or omissions to \$50,000 or the amount of GHA's paid fees for its services on the project, whichever is greater. GHA makes no guarantees or warranties, either expressed or implied, including any warranty of habitability or fitness for a particular purpose. The parties agree to waive all claims against the other for any and all consequential damages, including attorneys' fees. The parties agree to waive against each other all rights and claims otherwise covered by property insurance, by builder's risk insurance or by all risk insurance, including but not limited to subrogation rights regardless of whether the claims arise during or post-construction and regardless of final payment to GHA.

All disputes arising out of or relating to this Agreement shall first be negotiated between the parties. If unresolved, the dispute shall be submitted to mediation as a condition precedent to litigation. Mediation shall take place in Chicago, Illinois unless the Client and GHA mutually agree otherwise. The fees and costs of the mediator shall be apportioned equally between the parties. If mediation is unsuccessful, litigation shall be the form of dispute resolution and shall be filed in the jurisdiction where the project was pending. The controlling law shall be the law of the jurisdiction where the project was located. Client agrees that all causes of action under this Agreement shall be deemed to have accrued and all statutory limitations periods shall commence no later than the date of GHA's services being substantially completed. Client agrees that any claim against GHA arising out of this Agreement shall be asserted only against the entity and not against GHA's owners, officers, directors, shareholders, or employees, none of whom shall bear any liability and may not be subject to any claim.

15. Miscellaneous. Either Client or GHA may terminate this Agreement without penalty at any time with or without cause by giving the other party ten (10) calendar days prior written notice. The Client shall, within thirty (30) calendar days of termination pay GHA for all services rendered and all costs incurred up to the date of termination in accordance with compensation provisions of this Agreement. Client shall not assign this Agreement without GHA's prior written consent. There are no third-party beneficiaries to this Agreement.
