Two weeks after it was issued, there was a request for more information. One year has passed since Lou Ennesser's first FOIA request. He will do the 12th and last request.

Block Party – June 24, 4:00 to 10:30 P.M. The Prospect Heights Park District did not have our reservations request. The committee will submit another request. The Water Committee table will be manned by Dee Munroe 3-8, Lou Ennesser 3-5/6 and Kay Michaely 4-6. Dee Monroe will purchase 100 activity books and 100 packs of crayons. Crayons plus shipping is \$35.28. The committee approved the expenditure. A form will be provided to gather names and addresses.

Forum – December 2, 2017. The committee wants to provide water testing information. They would like to advise it's availability at the Block Party. However to date, they do not have enough information (costs, etc.). Jill Moscow will request a speaker from Illinois Water. The Water Committee will be given an answer regarding the availability of space at The Old Orchard

Country Club. The Prospect Heights Park District cannot confirm at this time. We may have to pay for the room.

Jill Moscow will get information regarding availability and expenses. Lou Ennesser will be our contact person. Dee Munroe suggested a giveaway. Entry blanks will help create an information file. Also a survey on a postcard is an option.
