\*\*\*\*\* THIS IS AN EXTERNAL EMAIL \*\*\*\*\*

Dan,

I am kindly requesting the City Council to waive the First Reading for approval of my variation of the driveway setback to the property line. Based upon the unanimous approval by the Planning Board and support of my neighbor to the West, I will gladly incorporate sufficient drainage to promote rainwater to proceed along the natural NE route.

## MEMORANDUM

Date: April 27, 2020

To: Mayor Helmer and City Council

From: Daniel A. Peterson, Director of Building & Development

Subject: ZBA Case No. 20-05 V – Variation to Reduce Side Yard Setback to construct a driveway within the 5' required Set Back at 13 S. Wildwood Road

**Issue:** Joe Fiorito, owner of the subject property is seeking a variation to Section 5-8-2 E2A of the City of Prospect Heights Zoning Code to allow the reduction of the required setback from 5' to 1' in the required side yard for the construction of a driveway extension to access his rear yard.

**Background:** The PZBA held a public hearing on April 23, 2020. Testimony was provided indicating the legal non-conforming condition of the property. The neighbor to the west supports the addition, but wants to ensure that storm water is controlled on the subject property. The owner stated that he would design the driveway with drainage to keep water on his property. The PZBA voted 6-0 to recommend approval of the variation with the condition of required drainage.

Mr. Fiorito has requested a waiver of first reading so that he can proceed with his construction project.

**Recommendation:** Approve waiver of 1<sup>st</sup> Reading and approval of Ordinance No. O-20-16 Granting Certain Variations.

Wildwood Rd., Prospect Heights, Illinois, in the City's R-1 Single Family Residential District; and

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PROSPECT HEIGHTS, COOK COUNTY, ILLINOIS** as follows:

To Whom it May Concern,

Description of Variance Request:

Request for 1' Side Yard Setbacks vs 5' Requirement

Reason for Variance Request:

The reason for the variance request is be able to build a side driveway to reach my proposed garage in the backyard. My home is a legal non-conforming property that is built 12' from the side lot line vs the current 15' requirement.

A driveway is required for my proposed garage in the backyard. A typical driveway needs to be 10' wide to provide adequate clearance to the home. The new driveway would be lower than the neighboring property to the West and pitched to send rain water towards the street.

Approval of this variance request would allow me to construct a proper driveway that would give access to the rear garage.

Attached is a site plan showing the footprint and location of the proposed garage and driveway.

Regards,

Joe Fiorito

# Zoning Review

Date: February 24, 2020

Reviewer: Daniel A. Peterson, Director of Building & Development

Applicant: Joe Fiorito

Subject Property: 13 S. Wildwood Road

Application: Variation Parking Relief Side Yard Setback – Section 5-8-2 E2a

Project: Construct a Driveway in a Required Side Yard

---

Documents Reviewed: Completed Application. See list of exhibits in packet.

Applicable Zoning Sections: Additional Parking Regulations: 5-8-2 E 2a Side & Rear Yards  
Variation Standards 5-10-8

Current Zoning: R-1 Single Family Residential District

Current Use: Single Family Residential Permitted Use

Request: The petitioner is seeking a variation to Section 5-8-2 E2a to allow a reduction in the required interior side yard setback from 5' to 1.0' for the proposed driveway for the purpose of access to rear yard and proposed detached garage.

## **Standards for Variations:**

Staff has reviewed the project for conformance with the standards for variation. Commissioners should review for conformance with the standards for variation on each request separately.

### **5-10-8: VARIATIONS:**

F. Standards For Variations: The plan/zoning board of appeals shall not recommend variation of the regulations of this title unless it shall make findings of fact based upon the evidence as presented that: (Ord. 0-77-27, 7-18-1977; amd. Ord. 0-03-35, 9-15-2003)

1. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district.

**Response:** 1. The lot in question located on S. Wildwood. The house is pre-existing with a legal non-conforming side yard setback of 12.68' on the west side yard. The house was constructed on a slight angle on the lot to replicate the curve in the street. The existing driveway and garage are on the west side of the property. This condition limits the applicant's ability to access his rear yard.

2. Literal interpretation of the provisions of this title would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this title.

**Response:** 1. Standard met. The existing property was legal prior to the adoption of the current zoning code and the legal nonconforming condition limits the ability to use the required side yard.

3. The alleged hardship has not been directly created by any person presently, or a predecessor in interest, having a proprietary interest in the premises.

**Response:** 1. Standard met

4. The proposed variation will not be materially detrimental to the public welfare or injurious to other property or improvements in the neighborhood.

**Response:** Standard met. The driveway will be designed to drain storm water away from the neighbor's property onto the owner's property.

5. The proposed variation will not impair an adequate supply of light and air to adjacent property, substantially increase congestion in the public streets, increase the danger of fire, or endanger the public safety.

**Response:** Standard met.

6. The proposed variation will not alter the essential character of the locality.

**Response:** The overall project will not alter the essential character of the locality.

7. The proposed variation is in harmony with the spirit and intent of this title.

**Response:** Standard met.

8. The granting of the variation requested will not confer the applicant any special privilege that is denied by this title to owners of other lands, structures, or buildings in the same district.

**Response:** Standard will be met as each case is reviewed and granting of the variation is not denying the right of others in the same district to seek the same variation.

9. No nonconforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures, or buildings in other districts shall be considered grounds for issuance of a variation. (Ord. 0-77-27, 7-18-1977)

**Response:** Standard met. This case is based upon the conditions of the property. The existing sheds will be removed as part of the permit to construct the new detached garage.

10. The plan/zoning board of appeals shall further make a finding that the reasons set forth in the application justify the granting of the variation, and that the variation is the minimum variation that will make possible the reasonable use of the land, building, or structure. (Ord. 0-77-27, 7-18-1977; amd. Ord. 0-03-35, 9-15-2003)

**Response:** No additional conditions are necessary.

The board may impose such conditions and restrictions upon the location, construction, design and use of property benefited by a variation as may be necessary or appropriate to comply with the foregoing standards and to protect adjacent property and property values.

### **Conclusion**

**Staff believes the project will not create any negative impacts to the neighbors and is in keeping with the character of the neighborhood.**

**Staff concurs with the request.**

Fry the Coop, Nashville Hot Chicken is a family restaurant. We believe in working through our purpose, guided by our values. We want to change the world! Starting right where we stand. We believe we can do this by spreading happiness! The root definition of "restaurant" stems from the word "restore." The root translation of the word means "a place one goes to be restored" and restaurateur literally translates to "restorer of souls." Our purpose is to restore your soul by replenishing your body with our care, love, and food. Food is deeper than we know. It tells us who we are, where we come from and what we believe in. Food represents the past, present and future. It bears the ties of joy, celebration and fulfillment. We use food as a tool, a tool to restore your soul.

We believe that the most important thing in life is family and friends and our goal to provide a place where you can build and strengthen relationships with the people you love. In a world where technology, social media, apps, etc, there is nothing that can replace sitting down with the people you love and enjoying each other. We believe that restaurants are socially responsible to the community to provide a place of rejuvenation. We are challenging the status quo of business. People are not just consumers, they are human beings and every single person matters. We aim to provide care by caring for you! Our mission is to be the best part of your day.

We currently have four locations in Oak Lawn, Elmhurst, Chicago Loop, and Chicago's West Town. Each location is in a special area and we really care about the neighborhood, its community and history. All the pictures we display in the restaurants represent that exactly.

Fry the Coop has been featured on ABC's Windy City Live, ABC's Hungry Hound, WGN's Chicago Best, Winner of Chicago's Best 2018 Sandwich of the Year, WGN's Lunchbreak, WGN's Midday News, NBC, CBS, Chicago Tribunes best 15 Chicago Sandwiches, featured in the Chicago SunTimes, USA Today, Chicago Food Magazine, Daily Herald, Windy City Times, West Suburban Living, Eater Chicago, The Kitchen and many more.

Future goals are to open 15 locations across the Chicagoland area. However, we treat each new location as a new baby. We understand, like raising a child, it takes nurture, care, and time to raise a responsible, community focused business.

Thank you for the opportunity and consideration. We are looking forward to bringing our purpose of care and love to Prospect Heights and we are honored for the opportunity to be a part of such a great community that has a vision for the future. We will work hard to earn our place in the community. We hope to under promise and over deliver hospitality to the community by exceeding expectations every day.

Thank you sincerely,  
Joe

QUALITY is at the heart of everything we do at Fry the Coop. Nothing is ever frozen or microwaved. We bread our chicken by hand every day, the old-fashioned way. Quality matters.

The Honorable Nicholas J. Helmer  
City of Prospect Heights

Prospect Heights, Illinois

RE: 1307 Williams Way – Waiver of 1<sup>st</sup> Reading

Mayor Helmer,

I am respectfully requesting a waiver of the 1<sup>st</sup> Reading of the ordinance granting approval of the variation of FAR (Floor Area Ratio) on the property located at 1307 Williams Way which passed unanimously at the City's Planning and Zoning Board of Appeals at their regular meeting on April, 23, 2020.

My family and I are eager to begin our life in Prospect Heights. Summer is rapidly approaching and we hope to take advantage of the entire construction season. Though two weeks may not seem like a substantial amount of time, it allows for any potential issues arising due to weather or other regular unforeseen circumstances. Further, in light of the ongoing situation, it is important to continue construction projects to keep people employed and the economy moving.

If desired, I am also willing to "virtually" attend the Council meeting to take any questions that may arise.

Sincerely,

/s Victor Bompreszi

## MEMORANDUM

Date: April 29, 2020

To: Mayor Helmer and City Council

From: Daniel A. Peterson, Director of Building & Development

Subject: ZBA Case No. 20-05 V – Variation to allow an increase in the floor area ratio for a new single-family house to 24.5% from the allowed 20% for 1307 Williams Way

**Issue:** Victor & Jacqueline Bompreszi, owners of the subject property are seeking a variation to Section 5-6-1 G of the City of Prospect Heights Zoning Code to allow an increase in the allowable Floor Area Ratio (FAR) of a primary structure on a single-family lot from 20% (4,000 sq. ft.) for the construction of a proposed new single-family home in the Gruber Subdivision.

**Background:** The PZBA held a public hearing on April 23, 2020. Testimony was provided by the applicant supporting the variation request. The proposed variation would be within limit of the zoning code for lot coverage (25%), but any future variations for FAR or lot coverage would not meet the standards as any hardship would have been self-created. Chairman Dash asked the applicants if they understood and the response was affirmative. The owners indicated they understood and would be open to a condition restricting future lot coverage. There was no testimony provided by the public. After deliberation, the PZBA voted 7-0 to recommend approval of the variation with the condition of restricting future FAR and lot coverage.

Mr. Bompreszi has requested a waiver of first reading so that he can proceed with his construction project.

**Recommendation:** Approve waiver of 1<sup>st</sup> Reading and approval of Ordinance No. O-20-18 Granting Certain Variations.

**WHEREAS**, the Plan/Zoning Board of Appeals held a public hearing on April 23, 2020 regarding said application; and

## MEMORANDUM

Date: March 26, 2020

To: Planning/Zoning Board Commissioners

From: Daniel A. Peterson, Director of Building & Development

Subject: ZBA Case No. 20-07 V – 1307 Williams Way, Arlington Heights, IL  
Variation to Exceed the Maximum Allowable Floor Area Ratio for a Primary Building

Please be advised that Victor & Jacqueline Bompreszi, owners of the subject property, are seeking a variation to Section 5-6-1 H1 of the City of Prospect Heights Zoning Code to increase the maximum allowable Floor Area Ratio (FAR) for a primary building from 20% (4,000 sq. ft.) to 24.5% (4,916 sq. ft.). The applicants are proposing to construct a new single-family home at this location.

Mr. & Mrs. Bompreszi purchased the last undeveloped vacant lot in the Gruber Subdivision. The variation request exceeds the FAR for a primary structure. However, the total lot coverage is under the 25% (5,000 sq. ft.) maximum allowed for all structures per Section 5-6-1 H1.

Please contact me should you have any questions regarding this application.

Thank you.

Re: Application for Zoning Variance at 1307 Williams Way, Prospect Heights, IL

Pursuant to section 5-10-7 with regards to 5-10-8 of the City of Prospect Heights Zoning Code, we respectfully submit this application for a variance. We request consideration of a variance for the subject property under the Floor Area Ratio (FAR) requirements detailed in Section 5-6-1 G/H.

As the current owners of the property, we intend to design and construct a single-family residence on the property. The current code reads as follows to regards to Floor Area Ratio: "Single-family detached dwellings. Twenty five percent (25%). The FAR applicable to the principal building only shall be twenty percent (20%)". Under this code, the current FAR requires that the principal structure (single-family dwelling) not to exceed 20% of the FAR, but allows for us to add another accessory structure to the property to be up to 5% for a total FAR coverage not to exceed 25% for our property. Under the current ordinance, a conforming property would not be able to exceed 4,000 sq. feet. Under our current plans the principal residence will place the total area around 4,900 sq. feet (total of both floors), which will be greater than the current FAR principle structure requirement. Since the current principal building is 4,900 sq. feet, this will put us over 20% FAR (for principle structure) but under the 25% (total FAR allowed). We do not plan on adding any accessory structures in the future. We request a variance of the aforementioned sections for the following reasons:

1. Special circumstances exist on the land which are not commonly attributed to other properties. The subject property is on a street that ends in a turnaround, which made a large portion of the land unusable. This limited the total buildable area and had cut off the property incredibly. If the full parcel of land could be used, there would be no problem meeting the existing requirements. Further, the unique shape of the land further limits potential uses of the property and constricts the buildable area.
2. A liberal interpretation of the provisions of this ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district. Many of the other properties within the district are not limited by a substantial portion of the property being unusable for the creation of a turnaround.

3. The proposed variation will not be materially detrimental to the public welfare or other property in the neighborhood. The proposed construction will not place additional demands on the city services or limit the services available to other properties.
4. The proposed variation will have no impact regarding light or air for adjacent properties, nor will it increase congestion in public streets or increase the risk of fire or endanger the public safety.
5. The proposed variation is a minor increase of FAR which will not alter the essential character of the locality. The proposed design maintains the character of the neighborhood.
6. The proposed variation is in harmony with the spirit of the ordinance because it abides and does not affect the Lot Coverage requirements and makes use of the land in a manner that does not materially affect neighbors or the overall welfare of the City of Prospect Heights.

As a current resident of the area, as well as growing up in Arlington Heights, I hope to raise my family in the same community that I have enjoyed being part of. We kindly ask that you please allow this variance in the ordinance to allow us to build the home of our dreams and invest further in the community of Prospect Heights for years to come.

Respectfully,

Applicable Zoning Sections: Single Family Residential District: 5-6-1  
Floor Area Ratio: 5-6-1 G  
Variation Standards 5-10-8

Current Zoning: R-1 Single Family Residential District  
Current Use: Vacant Lot - Single Family Residential Permitted Use

Request: The petitioner is seeking a variation to the maximum allowable floor area ratio from 20% (4,000 sq. ft.) to 24.5% (4,916 sq.t.) for a new single family home on a the last undeveloped lot in the Gruber Subdivision. They are not seeking a variation to Lot Coverage which is 25% which includes any accessory buildings.

Standards for Variations:

Staff has reviewed the project for conformance with the standards for variation. Commissioners should review for conformance with the standards for a variation.

**5-10-8: VARIATIONS:**

F. Standards For Variations: The plan/zoning board of appeals shall not recommend variation of the regulations of this title unless it shall make findings of fact based upon the evidence as presented that: (Ord. 0-77-27, 7-18-1977; amd. Ord. 0-03-35, 9-15-2003)

1. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district.

**Response:** Refer to the hardship letter from petitioner received March 23, 2020. The applicant sites the irregular shaped lot as a primary hardship. The plan commission shall evaluate and verify that special conditions and circumstance exist.

2. Literal interpretation of the provisions of this title would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this title.

**Response:** Standard met. Applicant indicates the loss of lot area to accommodate the cul-de-sac reduces the lot area. If this was a standard rectangular lot the proposed home would be in compliance with the FAR.

3. The alleged hardship has not been directly created by any person presently, or a predecessor in interest, having a proprietary interest in the premises.

**Response:** Plan commission should evaluate the hardship letter as presented.

4. The proposed variation will not be materially detrimental to the public welfare or injurious to other property or improvements in the neighborhood.

**Response:** Standard met. This is a 4-lot subdivision and this lot is at the end of the street and would not be detrimental to the public welfare or injurious to the other properties within the subdivision.

5. The proposed variation will not impair an adequate supply of light and air to adjacent property, substantially increase congestion in the public streets, increase the danger of fire, or endanger the public safety.

**Response:** Standard met.

6. The proposed variation will not alter the essential character of the locality.

**Response:** The overall project will not alter the essential character of the locality.

7. The proposed variation is in harmony with the spirit and intent of this title.

**Response:** Standard met.

8. Granting the variation requested will not confer the applicant any special privilege that is denied by this title to owners of other lands, structures, or buildings in the same district.

**Response:** Standard will be met as each case is reviewed and granting of the variation is not denying the right of others in the same district to seek the same variation.

9. No nonconforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures, or buildings in other districts shall be considered grounds for issuance of a variation. (Ord. 0-77-27, 7-18-1977)

**Response:**    **Standard met. This case is based upon the conditions of the property.**

10. The plan/zoning board of appeals shall further make a finding that the reasons set forth in the application justify the granting of the variation, and that the variation is the minimum variation that will make possible the reasonable use of the land, building, or structure. (Ord. 0-77-27, 7-18-1977; amd. Ord. 0-03-35, 9-15-2003

**Response:**    **The PZBA may want to consider a condition a restriction that accessory structures will not be allowed and future variations for Lot Coverage would not be available as the this would be considered a self-created hardship and not be eligible for variation. A condition of this nature would need to be recorded with the Cook County Recorder’s office as part of the approval.**

The board may impose such conditions and restrictions upon the location, construction, design and use of property benefited by a variation as may be necessary or appropriate to comply with the foregoing standards and to protect adjacent property and property values.

**Conclusion:**

**The applicant is aware of the total allowable lot coverage and has indicated agreement with a restrictive condition that restricts future accessory structures from being constructed on the lot.**

**Staff concurs with the request.**

### 2020 City of Prospect Zoning Map

**To:** Mayor Helmer  
Members of the City Council  
Joe Wade, City Administrator

**From:** Peter P. Falcone, Assistant City Administrator

**Subject:** Ordinance Amending Title 12, Fine and Fee Schedule of the Prospect Heights City Code

**Date:** May 6, 2020

**Background:**

In June of 2016, the City created a fine and fee schedule to provide a single location for the City's fines and fees. This would allow for our residents and businesses to identify fine and fee amounts quickly.

**Analysis:**

This ordinance updates fines and fees established by the City. The ordinance is periodically amended to provide for new fines/fees collected by the City.

The Council has passed some recent ordinances and updates to the fine and fee schedule which were overlooked, so we are now providing a much needed update to make all fines and fees in the schedule current. Some important fines and fees that are being updated are:

- Water rates
- Municipal Cannabis Retailer's Tax
- Building Code Fines
- Vehicle License Fees
- Fees for Small Wireless Facilities

**Recommendation:**

Staff recommends the adoption of Ordinance O-20-14, which updates the fines and fees of the Prospect Heights City Code.

## ORDINANCE NO. O-20-14

### AN ORDINANCE AMENDING CHAPTER 1, SECTION 1 of TITLE 12 - FINE AND FEE SCHEDULE

**WHEREAS**, the City of Prospect Heights ("City") is an Illinois Municipal Corporation pursuant to the Illinois Constitution of 1970 and the Statutes of the State of Illinois; and,

**WHEREAS**, the City desires to amend the fees for services listed in the Fine and Fee Schedule; and,

**WHEREAS**, it has been further determined that amending the Fine and Fee Schedule within the City's Code will promote greater transparency for its businesses and citizens; and,

**WHEREAS**, the City Council of the City of Prospect Heights has determined to amend the Fine and Fee Schedule and desires to amend the Prospect Heights City Code as provided below;

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PROSPECT HEIGHTS, COOK COUNTY, ILLINOIS:**

**Section 1:** That the above recitals are incorporated into this Ordinance in full as if fully set forth.

**Section 2:** That Chapter 1, Section 1, Title 12 of the City Code of the City of Prospect Heights is hereby amended, with deletions in strikethrough and additions in bold, underline text so that the same shall be read as follows:

(Docket No. 125714)

TIMOTHY BURNS, Appellee, v. THE MUNICIPAL OFFICERS ELECTORAL BOARD OF  
THE VILLAGE OF ELK GROVE VILLAGE *et al.* (Benjamin R. Lee, Appellant).

*Opinion filed February 26, 2020.*

JUSTICE THEIS delivered the judgment of the court, with opinion.

Chief Justice Burke and Justices Thomas, Kilbride, Garman, and Karmeier  
concurred in the judgment and opinion.

Justice Neville took no part in the decision.

**OPINION**

¶ 1

In this case we are asked to consider the validity of a referendum seeking to impose term limits on the elected offices of village president and village trustee in Elk Grove Village. The village electoral board concluded that the referendum violated section 3.1-10-17 of the Illinois Municipal Code. Pub. Act 101-114, § 5

(eff. July 19, 2019) (adding 65 ILCS 5/3.1-10-17). On judicial review, the circuit court of Cook County reversed, holding that section 3.1-10-17 was unconstitutional and ordering that the term-limits referendum appear on the March 17, 2020, general primary ballot.<sup>1</sup> The matter was appealed directly to this court pursuant to Illinois Supreme Court Rule 302(a) (eff. Oct. 4, 2011). For the following reasons, we reverse the judgment of the circuit court in part, vacate in part, and affirm the decision of the electoral board.

¶ 2

## BACKGROUND

¶ 3

On July 8, 2019, Timothy Burns, the principal proponent of a term-limits referendum, filed a petition seeking to place the question of whether to impose term limits on the elected offices of village president and village trustee in Elk Grove Village on the March 17, 2020, general primary election ballot. The proposed question asked:

“Shall the terms of office for those persons seeking nomination or election to, or who are holding the office of, Village President (Mayor) and Village trustee in the Village of Elk Grove Village, be limited such that, at the February 23, 2021 Consolidated Primary Election and all subsequent elections, no person shall be eligible to seek nomination or election to, or to hold, elected office in the Village of Elk Grove Village where that person has held the same elected office for two (2) or more consecutive, four (4) year terms?”

¶ 4

Benjamin Lee, a registered voter of the village, filed an objection, relying on section 3.1-10-17 of the Municipal Code. Lee argued that section provides that any term-limit referendum must be prospective only—that is, a referendum can only consider terms in office served after the passage of the referendum to determine a candidate’s eligibility. Lee maintained that the referendum proposed by Burns violated that section because it calculated and counted prior service as village president or village trustee before the passage of the referendum in determining eligibility to seek another term in that office. In response to the objection, Burns

maintained that section 3.1-10-17 was unconstitutional, facially and as applied to his petition for referendum.

¶ 5 The electoral board agreed with Lee,<sup>2</sup> sustaining the objection to the petition on the grounds that the petition conflicted with section 3.1-10-17. The board found that the statute allowed term limits to be prospective only, that the referendum was not prospective in its consideration of prior service, and that the limited scope of the board's authority required it to accept the validity of the statute without considering whether it was unconstitutional. Accordingly, the board ordered that the referendum should not appear on the ballot in the March 17, 2020, general primary election.

¶ 6 Burns sought judicial review in the circuit court of Cook County and requested that the court consider the constitutionality of the statute. The circuit court reversed the decision of the electoral board, holding that section 3.1-10-17 was unconstitutional on its face and as applied.

¶ 7 The circuit court found that the General Assembly has the constitutional authority to expressly restrict the power of home rule municipalities to ensure that term limits can only be instituted prospectively. However, the court ruled that section 3.1-10-17 unlawfully applied retroactively to term limits referenda that had already been approved by the voters in other municipalities since November 2016. The circuit court further found that the unlawful provisions could not be severed from the rest of the statute.

¶ 8 Thereafter, Lee filed a notice of appeal directly to this court pursuant to Rule 302(a)(1). Ill. S. Ct. R. 302(a)(1) (eff. Oct. 4, 2011). This court granted the parties' agreed motion to expedite the appeal and set an expedited briefing schedule without

<sup>2</sup>The electoral board agreed with Lee on remand from the circuit court, after initially dismissing Lee's objection as "premature." Lee had filed his objection on October 22, and the electoral board reasoned that he had to wait until December 17. See 10 ILCS 5/10-8 (West 2018) (requiring objections to petitions for referendum to be "duly made in writing within 5 business days after the last day for filing the \*\*\* petition for a public question"). After the electoral board found for Lee on remand, the circuit court ruled on Burns's counterpetition in an order captioned *Burns v. Municipal Officers Electoral Board*, No. 19-COEL-37 (Cir. Ct. Cook County, Jan. 15, 2020).

## ANALYSIS

¶ 10

When an election board's decision is challenged in the circuit court pursuant to section 10-10.1 of the Election Code (10 ILCS 5/10-10.1 (West 2018)), the proceeding is one of administrative review. Accordingly, it is the election board's decision that is ultimately before us, and not the decision of the circuit court. However, the election board has no authority to declare a statute unconstitutional or to question the validity of the statute. *Goodman v. Ward*, 241 Ill. 2d 398, 411 (2011). Thus, it is the circuit court's declaration that section 3.1-10-17 is unconstitutional that warrants this court's direct review. The constitutionality of a statute involves a question of law, making our review *de novo*. *Bartlow v. Costigan*, 2014 IL 115152, ¶ 17.

¶ 11

Section 3.1-10-17 provides as follows:

“(a) The imposition of term limits by referendum, ordinance, or otherwise must be prospective. Elective office held prior to the effective date of any term limit imposed by a municipality shall not prohibit a person otherwise eligible from running for or holding elective office in that municipality. Term limits imposed in a manner inconsistent with this Section remain valid prospectively, but are invalid as they apply to service prior to the enactment of the term limits.

(b) The imposition of term limits by referendum, ordinance, or otherwise shall only apply to terms for the same office or that category of municipal office. Term limits imposed in a manner inconsistent with this subsection are invalid as they apply to service in other categories of municipal offices.

(c) A home rule unit may not regulate term limits in a manner inconsistent with this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(d) This Section applies to all term limits imposed by a municipality by referendum, ordinance, or otherwise passed on or after November 8, 2016.” Pub. Act 101-114, § 5 (eff. July 19, 2019) (adding 65 ILCS 5/3.1-10-17).

- ¶ 12 There is no dispute here that, if valid, the term-limits statute would bar the referendum question from the ballot. However, Burns contends that section 3.1-10-17 unlawfully deprives the voters of the village and the voters of other municipalities their state constitutional right to choose by referendum the terms and manner of selecting their elected municipal officers. He maintains that the statute is unconstitutional both facially and as applied to this case.
- ¶ 13 A facial challenge to a statute is the most difficult challenge to mount because a statute will be deemed facially invalid only if no set of circumstances exists under which the statute would be valid. *Napleton v. Village of Hinsdale*, 229 Ill. 2d 296, 305-06 (2008). An as-applied challenge requires a showing that the statute violates the constitution as it applies to the facts and circumstances of the challenging party. *City of Chicago v. Alexander*, 2017 IL 120350, ¶ 27.
- ¶ 14 Under either, we are mindful that statutes enjoy a strong presumption of constitutionality. *Oswald v. Hamer*, 2018 IL 122203, ¶ 29. “The party challenging the validity of a statute has the burden of clearly establishing the alleged constitutional infirmity.” *Id.* If reasonably possible, it is the court’s duty to construe the statute in a way that will uphold its constitutionality, and any doubt in the statute’s construction will be resolved in favor of the statute’s validity. *Id.*
- ¶ 15 Contrary to Burns’s assertion, we agree with the circuit court that the General Assembly has the authority to legislate in this area prospectively because it has expressly indicated its intent to do so.
- ¶ 16 In order to understand Burns’s argument that the legislature exceeded its authority, we must first consider the relationship between the State and the units of local government under the 1970 Illinois Constitution. Generally, every subject within the scope of governmental affairs rests in the General Assembly, unless inhibited by some constitutional provision. See Ill. Const. 1970, art. II, § 2; Ill. Const. 1970, art. IV, § 1 (the General Assembly is vested with all legislative power by the constitution). Article VII, section 6, of the constitution provides home rule units with certain powers with respect to local concerns. Ill. Const. 1970, art. VII, § 6(a) (“a home rule unit may exercise any power and perform any function pertaining to its government”).

¶ 17 Relevant to this referendum, Elk Grove Village is a home rule municipality. As such, it is specifically governed by article VII, section 6(f), of the Illinois Constitution, which addresses a home rule municipality’s manner of selection of officers and implementation of terms of office. That section empowers a home rule municipality to “provide for its officers, their manner of selection and terms of office only as approved by referendum or as otherwise authorized by law.” Ill. Const. 1970, art. VII, § 6(f). Thus, under section 6(f), in the absence of a legislative grant of authority, a home rule municipality is authorized to “chang[e] the eligibility requirements for those candidates running [for office]” by limiting the officeholder’s term via a referendum approved by the voters. *Johnson v. Ames*, 2016 IL 121563, ¶ 19.

¶ 18 Under the same constitutional framework, however, the General Assembly may choose to “preempt the exercise of a municipality’s home rule powers by expressly limiting that authority.” *Palm v. 2800 Lake Shore Drive Condominium Ass’n*, 2013 IL 110505, ¶ 31 (citing *Schillerstrom Homes, Inc. v. City of Naperville*, 198 Ill. 2d 281, 287 (2001)). Under article VII, section 6(h), the General Assembly “may provide specifically by law for the exclusive exercise by the State of any power or function of a home rule unit.” Ill. Const. 1970, art. VII, § 6(h).

¶ 19 If the General Assembly has not expressly preempted an area and taken exclusive control over it, it may, instead, limit the power of home rule units to act concurrently with the State. If the General Assembly wishes to limit the power of home rule units in this way, it must also do so with express language to that effect. Ill. Const. 1970, art. VII, § 6(i); 5 ILCS 70/7 (West 2018) (providing that if the legislature seeks to limit the exercise of home rule powers, the statute must contain an express statement to that effect).

¶ 20 Here, section 3.1-10-17 of the Municipal Code indeed contains an express limitation on the power of a home rule unit to regulate matters involving term limits. Subsection (c) specifically provides that

“[a] home rule unit may not regulate term limits in a manner inconsistent with this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.” Pub. Act 101-114, § 5 (eff. July 19, 2019) (adding 65 ILCS 5/3.1-10-17(c)).

- ¶ 21 Thus, while the General Assembly has not exclusively preempted a home rule unit from exercising its home rule powers with respect to term limits, it has chosen to place a limitation on the manner in which term limits are calculated in the next election and subsequent elections. By enacting section 3.1-10-17, the General Assembly demonstrated its intent that any term-limit referendum must be applied prospectively, because only terms served after the passage of the referendum may be considered to determine a candidate's eligibility. The General Assembly properly followed the required procedures and asserted its proper authority under the Illinois Constitution to limit a function of a home rule unit. Burns's novel reading of section 6(f) would read sections 6(h) and 6(i) out of the constitution. The General Assembly may always limit the powers of a home rule unit under sections 6(h) and 6(i) as long as it does so expressly.
- ¶ 22 Accordingly, consistent with the circuit court's findings, this case presents a circumstance under which the statute can be validly applied. Accordingly, Burns's challenge must fail, both as applied and facially. *In re M.T.*, 221 Ill. 2d 517, 537 (2006) ("[S]o long as there exists a situation in which a statute could be validly applied, a facial challenge must fail." (Internal quotation marks omitted.)).
- ¶ 23 Nevertheless, Burns additionally argues that the statute is otherwise invalid because it retroactively applies to other municipalities that have already passed term limits by referendum, nullifying their voters' constitutional rights. The circuit court agreed, basing its ruling on what it perceived was a problem in the manner of the statute's "retroactive application" in the last sentence in subsection (a) and in subsection (d).
- ¶ 24 The last sentence in subsection (a) provides that "[t]erm limits imposed in a manner inconsistent with this Section remain valid prospectively, but are invalid as they apply to service prior to the enactment of the term limits." Pub. Act 101-114, § 5 (eff. July 19, 2019) (adding 65 ILCS 5/3.1-10-17(a)). Subsection (d) is an express temporal limitation on subsection (a), providing that "[t]his Section applies to all term limits imposed by a municipality by referendum, ordinance, or otherwise passed on or after November 8, 2016." *Id.* (adding 65 ILCS 5/3.1-10-17(d)).
- ¶ 25 To the extent that these provisions refer to term limits that have already been imposed, they are not implicated here. No term limit has yet been imposed by Elk Grove Village. Thus, Burns is asking us to consider whether provisions in the

statute that are not applicable here have any unlawful retroactive impact as applied to voters' constitutional rights in other municipalities.

¶ 26 As we have explained, “ ‘[a] fundamental rule of constitutional law is that a court will not determine the constitutionality of a provision of a statute which does not affect the parties to the cause under consideration.’ ” *Flynn v. Ryan*, 199 Ill. 2d 430, 438-39 (2002) (quoting *Chicago Teachers Union, Local 1 v. Board of Education of the City of Chicago*, 189 Ill. 2d 200, 206 (2000)); *People v. Mosley*, 2015 IL 115872, ¶ 11 (“courts do not rule on the constitutionality of a statute where its provisions do not affect the parties” (citing *Klein v. Department of Registration & Education*, 412 Ill. 75, 87-88 (1952))). Whether the statute implicates voters' constitutional rights as applied to term limit referenda previously passed in other municipalities does not affect Elk Grove Village or its voters. Accordingly, we find the trial court erred in considering those provisions.

¶ 27 CONCLUSION

¶ 28 For all of the foregoing reasons, we find the relevant provisions of section 3.1-10-17 of the Municipal Code to be constitutional both facially and as applied to the proposed referendum in Elk Grove Village. Accordingly, we reverse the judgment of the circuit court, vacate that portion of the court's ruling as to provisions that do not affect the parties, and affirm the decision of the electoral board, which found the proposed referendum invalid.

¶ 29 Circuit court judgment reversed in part and vacated in part.

¶ 30 Board decision affirmed.
