CITY RESIDENTS PRESENT: NONE

The minutes of the May 13, 2014 meeting were approved and submitted to the City Clerk for official stamp.

UPDATES FROM COMMITTEE:

Jerry Sredl stated that the McDonald Creek is clear of debris and water flow is normal. Mark Saulka stated that flooding issues occur when flooding extends to 24 hours or more time frame.

Steve Cutaia updated the committee on future plans for the City. The old field tiles in the Elm/Willow area are being checked with a camera in the next week or so. The City received \$600,000 for flooding projects. Plans for the fall include working with the residents to clean the creek beds of debris late fall and the City will pick up and dispose of the waste. The Public Works department will notify the residents in the fall. The City is working with the Villages of Arlington Heights and Mount Prospect to coordinate efforts to prevent/manage flooding issues in the future.

Kenneth Lopez stated he is available as needed to assist the committee in the future.

The meeting was adjourned at 3:30pm. The next meeting will be held at City Hall on August 12, 2014 at 3:00pm . There will be no committee meeting in July.
